

OUR IDEAL SCHOOL

Hammocks in corridors

**It is very important
to feel relaxed in
school. Students will
stay here for a
break, study and
meet with friends.**

Besty.pl

Students can choose lessons they want to attend but they must to go to polish, maths and different language.

<https://img.besty.pl/images/379/64/3796482.jpg>

Lessons without test and exams

Students will have more time for hobby and other activities. They won't be as tired as they are now. They will like going to school.

Machines with free food and drinks

Every morning students will get coupon for one drink and snack. It will be very useful for children who forgot their lunch.

Foreign school trips

**Every year
students choose
the country where
they want to go.
It's very good
opportunity to
learn the
language.**
